### Intended private placement of ca. 481.000 shares Interinvest Offices & Warehouses

Interinvest Offices & Warehouses (hereafter Interinvest) was informed that a parcel of ca. 481.000 new Interinvest shares, will be sold today through the intermediary of ING Belgium nv as part of a private placement with institutional investors. The shares were issued earlier this morning as part of a capital increase due to a contribution in kind of two logistics sites, situated in Oevel and Aarschot.

Trading in Interinvest shares will therefore be suspended on Euronext Brussels today until the results of this private placement have been announced in a press release.

**Interinvest Offices & Warehouses nv, (hereafter Interinvest)**, is a public regulated real estate company (RREC) founded in 1996 of which the shares are listed on Euronext Brussels (INTO) as from 1999. Interinvest invests in high-quality Belgian office buildings and logistics properties that are leased to first-class tenants. The properties in which Interinvest invests, consist primarily of up-to-date buildings that are strategically located in the city centre and outside municipal centres. The offices of the real estate portfolio are situated on the Antwerp - Mechelen - Brussels axis; the logistics properties on the Antwerp - Brussels - Nivelles and Antwerp - Limburg - Liège axis. Interinvest distinguishes itself when leasing space by offering more than square metres only. The company goes *beyond real estate* by offering 'turnkey solutions': a tailor-made global solution with the customer going from plans, design, coordination of works to budget monitoring.
