Intervest Offices & Warehouses nv, (hereinafter Intervest), is a public regulated real estate company (RREC) founded in 1996 of which the shares are listed on Euronext Brussels (INTO) as from 1999. Intervest invests in high-quality Belgian office buildings and logistics properties that are leased to first-class tenants. The properties in which Intervest invests, consist primarily of up-to-date buildings that are strategically located in the city centre and outside municipal centres. The offices of the real estate portfolio are situated on the Antwerp - Mechelen - Brussels axis; the logistics properties on the Antwerp - Brussels - Nivelles and Antwerp - Limburg - Liège axis with further extensions in Belgium, the Netherlands and towards Germany. Intervest distinguishes itself when leasing space by offering more than square metres only. The company goes *beyond real estate* by offering 'turnkey solutions': a tailor-made global solution with the customer going from plans, design, coordination of works to budget monitoring.
